The Beneteau Swift Trawler 30 is a popular model within Beneteau's Swift Trawler range. It's known for its versatility, combining the comfort of a cruising yacht with the practicality of a trawler. Here are some highlights:

- Design and Build:** The Swift Trawler 30 typically features a modern, stylish design with a focus on ease of handling and efficient use of space. The hull design is optimized for stability and fuel efficiency, making it suitable for both coastal cruising and longer journeys.
- Interior Layout:** Inside, the Swift Trawler 30 usually offers a well-thought-out layout with a cozy saloon, a functional galley, and comfortable sleeping arrangements. The interior often features high-quality materials and finishes, providing a luxurious feel.
- Performance:** It generally comes equipped with efficient engines, which offer a balance between speed and fuel economy. The Swift Trawler 30 is designed to be easy to handle, even by a small crew, making it ideal for both experienced and novice boaters.
- Outdoor Space:** The boat often includes a spacious flybridge or cockpit area, which is great for outdoor dining, relaxing, or navigating.
- Amenities:** Depending on the specific model and options, amenities might include air conditioning, a well-equipped galley, and modern navigation equipment.

If you're considering this boat, it's worth checking out recent reviews and possibly arranging a test sail to see if it meets

your needs and expectations.
