The amazing 347 SSX offers the most demanding of boaters the best of both worlds with a supersized bowrider layout and a full-beam enclosed cabin. We've never built a boat more versatile or impressive than the 347 SSX. Massive seating capacity. Luxury appointments. Clever features. Go anywhere performance. But the real magic of Chaparral innovation happens when you open the port side entry door and discover a space defying lavish full beam cabin. While most rivals at this length settle for a split beam design where neither area satisfies, the 347's unified cabin comes complete with an entertainment console, enclosed head and overnight accommodations for two. The 347 SSX comes standard with twin 9" touch screen displays with Chartplotter, GPS, WiFi, Insight Charts, Transducer and Engine Data

functions. A full digital instrumentation completes the helm with fog resistant glass lenses, brushed aluminum faces and stainless steel bezels. Our luxurious, leather wrapped steering wheel is sure to make every voyage an enjoyable one.
